FOR A SAFER WORLD

Lion is one of the world's leading manufacturers of breath alcohol testing equipment. We make and supply mobile (in-car), static and handheld instruments and associated accessories for use in law enforcement, the workplace and other locations where alcohol consumption poses a threat to the health and safety of people.

The Lion Alcolmeter® SD-400 is certified to Australian Standard **AS3547** by Benchmark Product Certification Services. This standard requires the recertification of the device every six months. Lion Breathalysers Australia. ABN 81 100 650 691.
